

Nguyen Thi Xuan Linh

Software tester

Date of birth: Feb 17, 1999
Gender: Female
Phone: 0333748913
Email: xuanlinh99.24@gmail.com
Address: Ho Chi Minh City, Viet Nam

EDUCATION

2017 - 2021 **Sai Gon University, Ho Chi Minh city, Viet Nam**
Engineer of Information Technology
Graduated 2021

OBJECTIVE

I am a Junior Software Tester in FPT Software. I have been mainly testing about web applications with a year of experience. With intense passion and desire to dedicate myself to the work. I would like to find an opportunity to dedicate and use my skills and learn new knowledge to become an excellent Software Tester.

SPECIALTIES

- Good knowledge of software development processes.
- Good at analyzing and writing test cases.
- Good application of testing techniques.
- Run test executions and report testing results, log bugs.
- Support Test Leader to reproduce bugs.
- Arrange and complete the tasks on time with high quality.

WORK EXPERIENCE

Dec 2021 - Present **FPT SOFTWARE**
Manual Software Tester
Testing on the website about used car auctions. Software tools and automation to car creation simulator and monitor the complete vehicle lifecycle from on sale on the auction site until it is sold to the dealer.

Main responsibilities:

- Learn about the business of the product.
- Plan for the task.
- Analyze and design test cases based on user stories.
- Write test cases and review test cases.
- Run Test executions: UI testing, Functional testing, API testing, Regression testing, Smoke testing.
- Log bugs and investigate issues with developers and another tester.
- Support team members to reproduce bugs
- Follow up on bug status and retest fixed bugs.

- Evaluate test results and write test summary report.
- Technologies: SQL Server, Postman, Google Chrome, Microsoft Edge.

Recognition and Gains:

- I participate in and support testing in a couple of iterations. As a result of my efforts, I found a lot of valuable defects and with the QA team to ensure good quality for the project
- Arrange and complete the tasks on time with high quality.

Sep 2021 - Nov 2021
